Alexandria Township Agriculture/Open Space Commission will host a meeting at the municipal building on Wednesday, 20 April 2022 at 7:00 PM to discuss in detail the Farmland Preservation Program. Franklin, Holland, Kingwood and Union Townships will be additional participants. The program presenters will be Bob Hornby representing Hunterdon County and Stefanie Miller from the State of New Jersey. Both are well qualified, and the presentation will clearly explain farmland preservation. After the presentation, there will be a question-and-answer session. Funds are available and smaller acreages are being considered since many of the larger farms have been permanently preserved as agricultural land. Please email clerk@alexandrianj.gov **with the names of those attending**. Space is limited to thirty (30) so we may not be able to accommodate you unless you have a reservation.

Returning this year is the Township's Annual Fishing Derby at Brunner's Pond on Airport Road. The fishing derby is open to all children under 16 years old on April 30th from 9:00 AM to 12:00 PM. Prizes will be awarded every hour for all age groups for the largest fish.

Get Past Plastic - Law to Reduce Single-Use Plastic Bags and Polystyrene Foam Products Takes Effect May 4th

The New Jersey Department of Environmental Protection is urging the public to get ready for the state's plastic bag and polystyrene foam food-service container law that takes effect **May 4th** by stocking up on reusable bags and visiting the DEP's [Get Past Plastic](#) website. The website offers a wealth of information about the law, including information about the types of reusable bags you should use. It also includes information about single-use plastic straw requirements. The NJ Clean Communities Council has been working closely with the state to educate the public and businesses through its [BagUpNJ](#) campaign.

The law, signed by Governor Murphy in 2020, requires grocery stores and retail establishments to no longer provide single-use plastic bags to customers. In addition, grocery stores 2,500 square feet or larger may not provide customers with single-use paper bags. The law also prohibits the sale of polystyrene foam takeout food containers and other polystyrene food-service products such as plates, cups, food trays and utensils.
